Features
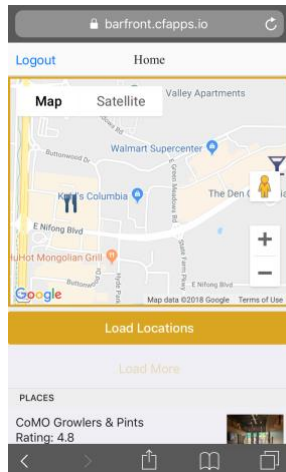

- Provide nightly ratings for bar's in your area and allow you to contribute your thoughts.

- Provide a service for bar owners to directly communicate with their customers.

- Displays deals of bars in your area so you can find the best bar experience for your night while keeping costs in mind.

Who We Are

About Us

We are a company dedicated to giving you the best bar experience possible. Our complex algorithm computes a rating for bars in your area with details on the features that night. As our user base grows so does your experience!
